The Honorable Philip Young Chairman U. S. Civil Service Commission Washington 25, D. C.

Dear Mr. Young:

In reply to your letter of 7 July 1953, I am enclosing in duplicate Exhibit Lel, recommending the exemption of the position of Deputy Birector of Central Intelligence from the Ausmal and Sick Leave Act of 1951, as emended. Although this officer is not specifically exempted by the provisions of Public Law 102, 32rd Congress, consideration of the factors outlined in your letter indicates that he would appropriately be removed from the provisions of the Act.

Lieutement General C. P. Cabell, WSAF, who is serving as the Deputy Director of Central Intelligence, is entitled under the provisions of Public Law 15, 33rd Congress, to the rights and benefits of the military leave system during his occupancy of this office. However, I am recommending the exemption of the position from the Annual and Sick Leave Act in the event of the appointment of a civilian to the position at some future date.

The only other position in the Central Intelligence Agency which would be exampted is that of Director, which according to Public Law 102 is mandsterily exampt.

Sincerely yours,

Allen W. Duller Director

Enclosure
